

# There Are 12 Months

---

## [Chorus]

There are 12 months, each one has its own name  
There are 12 months, no 2 are just the same  
Winter, spring, summer, & don't forget fall  
Months, months, give a big cheer for them all!

## [Verses]

December, it is month number twelve  
December, it has 31 days  
Lights and trees, don't forget hats and gloves  
December, Share some holiday love

January, it is month #1  
January, it has 31 days  
Winter begins, snow & icicles fall  
January, a new year, good times for all.

February, it is month #2  
February, 28 days, it's true  
February, in Leap Year it has 29  
February, it's cold, oh where's the sunshine?

March, March, month #3  
March, March, 31 days of glee!  
Spring is here, the flowers start to appear  
In like a lion, & out like a lamb have no fear

## [Verses]

April, April, it is month #4  
April, April 30 days, not one more  
April showers bring May flowers, they say  
April, April excited for each spring day

May, May it is month #5  
May, May it has 31 days  
Sunny weather, flowers are in full bloom  
May, May summer's coming real soon

June, June make way for month #6  
June, June 30 days & no tricks  
Summer's here, temperatures, oh they will rise  
June, June beach & pools, no surprise

July, the 7th month of the year  
July, 31 days, that is clear  
Beach umbrellas, time to relax in the sun  
July, July family, friends, & some fun!

August, August it is month #8  
August, August it has 31 days  
Summer's closing, vacations are to be had  
August, August summer is ending, how sad.

## **[Verses]**

September, month #9

September, 30 days and that's fine.

Fall is starting, school is in full swing

Cooler weather, September's full of great things

October, it is month #10

October it has 31 days

Leaves fall off trees, pumpkins are out in the patch

Apple cider, October is really a blast!

November, #11 is here

November, 30 days brings family cheer.

We give thanks for all of the great things in life

November, it's warm & cozy inside.

## **[Chorus]**

There are 12 months, each one has its own name

There are 12 months, no 2 are just the same

Winter, spring, summer, & don't forget fall

Months, months, give a big cheer for them all!
