

It's Time to Clean Up

[Chorus]

Hey kids, what time is it? It's time to clean up
Hey kids, what time is it? It's time to clean up

[Verse 1]

When we work, when we play
In the beginning or the end of the day
It's so important for you and me
To clean up our things, you see

[Chorus]

Hey kids, what time is it? It's time to clean up
Hey kids, what time is it? It's time to clean up

[Verse 2]

Clean up our toys and our school supplies
Clean up our snacks so we don't get flies (Ew)
Then onto our cubby and our mailbox
Keeping things neat, we will never stop

[Verse 3]

Cleaning up is easy to do
If you help me, then I'll help you
Keeping things straight will always be
The very best thing for you and for me

[Chorus]

Hey kids, what time is it? It's time to clean up
Hey kids, what time is it? It's time to clean up
