

# It's That Time (Guess What?)

---

## **[Verse 1]**

Every morning when we wake up  
Guess what?  
It time for school  
Brush our teeth and pick out our clothes  
Guess what?  
It's time for school!

## **[Chorus]**

It's that time, to start our day  
But before we do, I've got some things to say  
How are you?  
I'm feeling fine  
Are you ready to learn?  
Yes, it's time

## **[Verse 2]**

We walk to school or take the bus  
Guess what?  
It's time for school  
See our friends and our teacher's smile  
Guess what?  
It's time for school
